Art Storage Space

Effective September 20, 2009

SunDust Gallery is a professional art space located in historical downtown Mesa, catering to local artists and fine craft artisans. SunDust has three gallery spaces, art classroom / workshop space, storage areas for art, and a location near the internationally renowned Mesa Art Center, and the Arizona Historical Museum.

Today's artists have limited options for storing their work, especially where it can be shown to the public at a moments notice. While most artists store their art at home for convenience, it is certainly not convenient or safe to invite unfamiliar clients to your home to view art. SunDust Gallery has art storage spaces that can give you a safe convenient place to meet and show your art. Take the worry out of meeting clients, have all of art stored in one place, keep your art in a cool dry space. How great would it feel to tell a client to meet you at SunDust Gallery to view your art!

Being associated with SunDust Gallery adds to your credibility and reputation as an artist, increases your exposure to the buying public, and allows you to meet clients in a gallery setting.
